## Audit Trail – Country Changes

Orderwise Ref:	OWS-3209
Menu Option:	Admin   Configuration   Countries Admin   Utilities   Audit Trail
Status:	Enhancement
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	The Audit Trail will display all changes made to countries within the Admin area.

## Consent Mode V2

Orderwise Ref:	OWS-2915
Menu Option:	Admin   Configuration   Cookies   Configuration [tab] <ul style="list-style-type: none"><li>• Cookies Policy</li></ul>
Status:	Enhancement
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	When the above setting is set to 'Custom', new cookie consent options will be displayed.

## Apply Hazardous Item Delivery Pricing as Surcharge

Orderwise Ref:	OWS-3388
Menu Option:	Admin   Configuration   Delivery Methods   [Edit]   Advanced Pricing [tab] <ul style="list-style-type: none"><li>• Hazardous Item Multiplier Application Type</li><li>• Hazardous Item Multiplier Surcharge Name</li></ul>
Status:	Enhancement
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	Hazardous delivery method pricing can be added as a surcharge from the 'Hazardous Item Multiplier Application Type' setting. Entering a value into the 'Hazardous Item Multiplier Surcharge Name' allows synchronization into Orderwise when an order has a surcharge applied.

## Clover Connect Gateway Integration

Orderwise Ref:	OWS-3389
Menu Option:	Admin   Configuration   Payment Methods   [New/Edit]   Details   Gateway
Status:	New Development
Platform:	Trade Portal & Layout Editor
Licensed Feature:	No
Detail:	Clover Connect is available as a gateway when adding or editing a payment method.
